Leadership & Management Path

Effective Leadership through Coaching | 3 Days

The most successful leaders recognize that their success depends upon the success of those they lead. Enabling others to grow and fulfill their potential by coaching them to discover and apply their talents and strengths is a core competency of effective leadership. Whether supporting employees to optimize their contribution, or enabling them to further their career aspirations, your coaching will have a positive impact and will foster an environment of growth and success.

**WHO SHOULD ATTEND:**
Anyone managing the performance of others, including executives, managers, supervisors and team leaders.

**JOB ROLES:**
- Personal Development
- Leader of Teams/Projects
- Leader of Managers/Departments

**OBJECTIVES:**
- Develop a positive partnership that supports employee growth
- Provide effective coaching and feedback within a relationship of mutual trust
- Agree upon appropriate performance goals using the SMART technique
- Clarify the current state or reality of your employees’ situation
- Create options for your employee and develop them into a plan
- Motivate and support your employee to achieve his/her goals
- Recognize and remove any obstacles to employee success
