About New Horizons

With 300 centers in 70 countries, New Horizons is the world's largest independent IT training company. Our innovative, award-winning learning methods have revolutionized the way students learn, retain and apply new knowledge; and we offer the largest Guaranteed-to-Run course schedule in the world. Our real-time, cloud-based lab solution allows students to access their labs anytime and anywhere. And we offer an extensive selection of vendor-authorized training and certifications for Microsoft, Cisco, CompTIA and VMware, ensuring that students are able to train on the latest products and technologies. Over our 30-year history, New Horizons has trained over 30 million people worldwide.

History

New Horizons Computer Learning Center of Knoxville was originally established in 1979 as a development and consulting company under the name Computer Assisted Services (CAS), providing computerized accounting and programming services to Knoxville area businesses. In 1983, the company held its first software training classes and has been in continuous operation since then, teaching hundreds of thousands of students from thousands of companies and organizations.

On January 1, 2000, Computer Learning Centers of Knoxville purchased the franchise and became New Horizons Computer Learning Center of Knoxville. New Horizons Computer Learning Center is the world's largest computer training company. Our objective is to provide the training needed to improve the skills of people employed or seeking employment in the IT industry.

Throughout our history, we have established ourselves as the quality supplier of personal computer training in Knoxville and East Tennessee in general—a position we will constantly strive to maintain.

Management

Shannon Byars, Director

Knoxville Facilities

New Horizons Computer Learning Centers maintains a first-class training facility at 408 North Cedar Bluff Road, Suite 555. The facility has adequate on-site parking and is handicap accessible and meets or exceeds all federal, state and local ordinances and regulations for public safety and health. With over 7,000 square feet, the center offers 4 classrooms, testing room and a conference room in addition to administration and faculty offices. The student break-area, with free fresh coffee along with snack and soft drink machines is centrally located with restrooms and telephones nearby. Restaurants and overnight accommodations can be found in the immediate vicinity.

Chattanooga Facilities

New Horizons Computer Learning Centers maintains a first-class training facility at its Chattanooga campus. The facility has free on-site parking and is handicap accessible and meets or exceeds all federal, state and local ordinances and regulations for public safety and health. The campus has 2 private training rooms for students. The break-area includes free fresh coffee, snack machines and centrally located restrooms. Restaurants and overnight accommodations can be found in the immediate vicinity.

Johnson City Facilities

New Horizons Computer Learning Centers maintains a first-class training facility at its Johnson City campus. The facility has free on-site parking and is handicap accessible and meets or exceeds all federal, state and local ordinances and regulations for public safety and health. The campus has 3 private training rooms for students. The break-area includes free fresh coffee, snack machines and centrally located restrooms. Restaurants and overnight accommodations can be found in the immediate vicinity.

Equal Opportunity

New Horizons affirms a policy of equal employment opportunity, equal education opportunity and nondiscrimination in the provision of educational services to the public. New Horizons administers all educational programs and related supporting services and benefits in a manner that does not discriminate because of a student's race, color, national origin, handicap, sex or age.

Instructors

Our instructors are not only professional educators but also outstanding presenters. They know how to mix patience, humor and enthusiasm to achieve maximum comprehension. Our instructors adjust their pace and instruction to meet their students' needs. They also bring their own real-world experience into the classroom, creating a rich learning environment. Below you will find a list of our trainers.

Instructors (Knoxville, Chattanooga & Johnson City)	Certifications
Valerie W. Taylor	Master MOS

New Horizons Customer Commitment

New Horizons is in the business of helping people attain knowledge in the form of personal computer training. By providing the technical and application training that develops a more skilled and productive workforce, New Horizons is helping businesses and individuals keep pace with the rapid and complex technological changes taking place in operating systems, software and hardware.

New Horizons Computer Learning Centers provides customer-focused computer training choices in multiple formats and delivery methods. Businesses and individuals receive top-quality computer training tailored to meet their specific needs – when and how they want to learn. As a result, customers have the freedom to personalize training programs to best suit individual learning styles and needs with a variety of training products and services.

Our Vision

To be the leader in innovative computer training solutions wherein our internal and external customers receive impeccable service and support. Our guiding values are trust, honor, and respect, developed and sustained through a motivated team of managers and employees, each contributing and building unrivaled internal and external customer service and support. We see New Horizons as a great place to work, a great place to learn and a great partner to have, where a lifetime of personal and professional growth provides a lifetime of opportunities for all our students and employees.

Our Mission

By providing exceptional classroom and e-learning training backed by superior customer service, New Horizons Computer Learning Centers offer training solutions to customers worldwide that significantly improve their businesses and careers.

Training Equipment

As the world leader of IT Training, New Horizons continuously upgrades equipment and software systems to ensure students are introduced to the latest technology. In the classroom, students are situated at independent and networked workstations and led by a qualified instructor. Our classrooms are equipped with group viewing apparatus such as whiteboards, overhead projectors and video accessories.

Training Materials

In the classroom, New Horizons helps prepare students for both job skills and potentially certification exams with hands-on, personal training using professionally developed courseware. Classroom equipment is loaded with the software necessary to follow lessons presented in the manuals and to complete lab exercises.

For each course students generally receive a digital Learning Guide designed to be used during class and as an after-class resource. Learning Guides are typically 100-300 pages of reference material that may be electronically searched, saved, or printed.

Office Administration Program

Credential Awarded: Certificate of Completion

Campus Availability

Online | Knoxville | Chattanooga | Johnson City

School Policies

Scheduled Operations

Classes are scheduled frequently for day and evening - not in semesters or blocks. Thus, there is no restrictive enrollment period; students may register for any class prior to the first day of the class. We are closed for all major holidays.

New Horizons Computer Learning Centers offers day and evening classroom training. Weekday classes normally begin at 8:30 AM and conclude by 4:30 PM. Evening classes are scheduled 5:30 PM to 10:00 PM for technical and application courses.

New Horizons facilities are closed each year in observance of the following National Holidays:

New Year's Eve	Labor Day	Christmas Day
New Year's Day	Thanksgiving	Memorial Day
Independence Day	Christmas Eve	

Note: Additional holidays may be declared at the discretion of the General Manager.

Admissions

A student may be admitted into a New Horizons Career Education Program upon satisfying all the following requirements:

1. The student must be at least 18 years of age and must provide proof of or complete an affidavit of a high school diploma or GED.
2. The student must have a consultation with a New Horizons Admissions Representative to evaluate skill and experience levels and identify education and career goals.
3. The student must sign the Student Enrollment Agreement. One copy will be retained in the student's file.
4. The student must sign the Transfer of Credits Disclosure statement. One copy will be retained in the student's file.
5. The student must sign the Pre-Enrollment Checklist. One copy will be retained in the student's file.
6. The student must sign the Enrollment Agreement. One copy will be retained in the student's file.
7. A payment method must be established and agreed upon by the student and New Horizons.

Payment - Payment of cash, check, MasterCard, Visa, Discover, AMEX, private loan or government funding.

Rescheduling - If it becomes necessary to reschedule or cancel a registered class, students must give advanced notice in writing to the Student Services Representative five business days prior to the start of the class. For rescheduling purposes, this action will allow the student to select an alternate class without penalty.

Testing Procedures

Many students choose to take certification tests to validate their newfound knowledge. New Horizons Computer Learning Centers is a testing administrator for Vue. Your Educational Consultant may have already included tests as a part of your training goal. If they have, you can schedule tests when you're ready.

To schedule certification tests: Request a voucher number from the Student Services Manager. It may take 24 hours to process the request, so be sure to call or email earlier than the day you would like to take your test. After you get the voucher, you will call Vue to schedule your test. The Student Services

Manager will advise appropriate phone numbers or web addresses for Vue. You'll need to provide your name, address, phone numbers, email address, social security number, the test you are registering for, and the voucher number. They will then schedule your test at one of their testing centers. New Horizons Computer Learning Centers is a testing center you want to select– so make sure to tell them you would like to take your exam here! Then, on test day, arrive approximately 15 minutes prior to your test, check in with the receptionist and provide them with 2 forms of identification. One must be a picture ID such as a state approved driver's license.

Career Services

The Placement Service is designed to assist you with all aspects of your new career search. Shortly after you enter one of our career programs, we will sit down with you and discuss your career path and various current opportunities. We will rewrite your resume to reflect your new career objectives, or even build your resume from scratch. Once you have passed a pre-determined number of exams, the placement director will work with you on how to get noticed. The placement director will coach you on the following: Resume Writing, Interviewing, Hiring tips, Local career market and how to get noticed.

Test Pass Insurance

Available for certain programs, see program descriptions for more information.

If the following requirements are met, and the student fails to pass the exam, New Horizons will supply a free exam voucher (see program descriptions for more information).

- Student must successfully complete the traditional Instructor-led, OnlineLIVE or Mentored Learning class associated with the subject exam.
- Student must complete in full each module covering the exam.
- Student must score 85% on a practice test in Exam Mode within a 2-week period for the subject exam and then take the real test within 2 weeks of completing the practice test. The practice tests must be taken at New Horizons and the results verified and recorded by our personnel.
- Test pass insurance is valid for the term of your program.

Cancellation and Refund Policy

Should a student be terminated or cancel for any reason, all refunds will be made according to the following refund schedule:

1. When computing refunds pursuant to this refund policy, the last day of attendance for a student shall be one of the following: (a) The date on the expulsion notice if a student is expelled; (b) The date the New Horizons receives a written notice of withdrawal from a student; (c) When no written notice of withdrawal is given, the last day of attendance shall be the date of withdrawal; or (d) The date the student fails to return from an approved leave of absence.
2. All monies will be refunded if the student cancels within three (3) business days after signing the enrollment application and making initial payment.
3. Cancellation after the third (3rd) business day from signing the enrollment application and making initial payment, but before the first class, will result in a refund of all monies paid and a \$100 administrative fee.
4. If after the program has begun and before the expiration of 10% of their program for which he or she was charged, a student withdraws, drops out, or otherwise fails to attend classes, the refund shall equal 75% of all amounts paid or to be paid by or on behalf of the student for the program, less a \$100 administrative fee.
5. If after expiration of 10% of the program for which he or she was charged, and before expiration of 25% of the period, a student withdraws, drops out or otherwise fails to attend classes, the refund shall equal 50% of all amounts paid or to be paid on behalf of the student for the program, less a \$100 administrative fee.

6. If after expiration of 25% of the program for which he or she was charged, and before expiration of 50% of the period, a student withdraws, drops out or otherwise fails to attend classes, the refund shall equal 25% of all amounts paid or to be paid on behalf of the student for the program, less a \$100 administrative fee.
7. If after expiration of 50% of the program for which he or she was charged, a student withdraws, drops out or otherwise fails to attend classes, the student may be deemed obligated for 100% of the tuition, fees and other charges assessed by the institution.
8. Percentage of program completion will be based either on class hours completed with programs of a defined length in hours or months completed for Club programs. Hours completed is calculated on the standard course length even if the student started but did not complete the entire course.
9. Refunds will be made within 30 days of termination or receipt of cancellation notice.

Student Feedback Procedure

It is important for the student to be satisfied with our services. Part of achieving this satisfaction requires the quick and amicable resolution of any dispute between the student and New Horizons Computer Learning Center. The best way this task can be accomplished is through immediate discussion between the parties. However, we also have a formal student feedback procedure in place that can be utilized at any time.

At the end of a course, each student completes a course evaluation for the course, the instructor, our facilities and our customer service. This line of feedback is very important to us, and we encourage all students to feel comfortable using this system. We use these evaluations as a tool to improve our services. We welcome all comments and feedback.

In addition, the student may take the grievance directly to the instructor or their Student Services Representative at any time. Most situations can be resolved quickly as soon as the instructor or staff becomes aware of the problem. If the student is not satisfied with the solution, the student may contact our management. Grievance meetings with New Horizons can be conducted over the phone or in person. For students located in Chattanooga or Johnson City, the Director can offer a convenient day and time to be at the Chattanooga or Johnson City school location for the meeting.

Students may register any complaints to:

Shannon Byars, Director
New Horizons Computer Learning Centers
408 North Cedar Bluff, Suite 555
Knoxville, TN 37923
(865) 691-1515

Tennessee Higher Education Commission
404 James Robertson Parkway
Nashville, TN 37243-0830
(615) 741-5293

Any person claiming damage or loss as a result of any act or practice by this institution that may be a violation of the Title 49, Chapter 7, Part 20 or Rule Chapter 1540-01-02 may file a complaint with the Tennessee Higher Education Commission, Division of Postsecondary State Authorization.

Late Withdrawal, Cancellation, Tardy & No-Show Policies:

Please notify your Student Services Representative five or more business days prior to your scheduled class if you need to cancel your registration. Cancellations may be made by calling 865-691-1515 and asking for your Student Services Representative. There is no penalty for cancellations five or more business days prior to class.

If you are more than 30 minutes late for the beginning of a session you are registered for or no-show, your registration for that class and sessions will be cancelled. You will need to contact your Student Services Representative to get reenrolled.

If you arrive more than 30 minutes late for a session, you must see your Student Services Representative before attempting to proceed to class. Ask for your Student Services Representative at the front desk upon arriving.

Attendance Policy

Good attendance and academic performance are crucial for a successful learning experience. As each course includes material, labs, and other exercises that build upon each other throughout the duration of the course and program, it is important that students attend all courses and lab sessions for which they are enrolled. Students are required to complete at least 80% of the course hours for the course to be considered successfully completed.

The grade of Incomplete (I) will be given to all students that do not complete at least 80% of the course hours. The student is responsible for making up any missed time and work required to remove the Incomplete. The student has the responsibility to take the initiative in completing the work and is expected to make up the Incomplete within 30 days of the course end. If the student does not make up the Incomplete during the 30-day time frame, a grade may be given by a faculty member without further consultation with the student. If after the end of the 30 days of course end date, the Incomplete remains on the record, it will be designated as Fail (F) in the student's grade record.

Attendance Verification

Students will be required to sign the course roster for each day of course so attendance can be monitored.

Temporary Leave

Students may voluntarily, or involuntarily based on Satisfactory Progress, be placed on Temporary Leave. Students on Temporary leave will have their Career Education Program put on hold for up to nine months based on the sole discretion of the Director. Should a student not resume their Career Education Program within the agreed upon duration, the student's enrollment will be terminated.

Academic Probation

When a student has 1 Incomplete ("I") or Failure ("F") grades as part of their academic record, the student is automatically placed on academic probation pending the conclusion of their next scheduled course within the program. If the student successfully achieves a Passing grade for the next scheduled course and is able to remove the "I" or "F" grades from his/her academic record during this period, then the student will be removed from academic probation. The students who are placed on academic probation are required to develop a Satisfactory Progress Plan with Student Affairs which will be agreed upon by both parties and be placed in the student file. Students will have the opportunity to repeat and complete a course after receiving an "F". If the student fails to create a Satisfactory Progress Plan and/or is unable to successfully pass the current course or remove "I" or "F" grades while on academic probation, the student's enrollment will be terminated.

Appeal Process

A student who wishes to appeal his/her probation status or termination of enrollment must submit a written request to the Director of Student Affairs (see Staff Section of this catalog) within ten (10) days of the non-satisfactory progress status determination and must describe any circumstances that the student believes deserve special consideration.

New Horizons will evaluate the appeal within ten (10) business days and notify the student in writing of the decision. All decisions are final. Any student who prevails upon the appeal process will be returned to good standing.

Educational Credit Policy

New Horizons Computer Learning Centers is a special purpose institution. The purpose is to provide personal computer and technical training leading to professional skills development. This purpose does not include preparing students for further college study. Students should be aware transfer of credit is always the responsibility of the receiving institution. Whether or not credits transfer is solely up to the receiving institution. Any student interested in transferring credit hours should check with the receiving institution directly to determine to what extent, if any credit hours can be transferred. New Horizons does not currently offer training that in itself offers education credits and does not require such for entry in to its programs. New Horizons does offer CEU (Continuing Education Units). Check with your Student Services Representative for further details.

Prior Credit Policy

Previous training and experience will be considered and granted credit if appropriate for veterans and other eligible students. Veterans must submit a copy of their DD214 discharge certificate.

Grading

Students will receive grades for courses attended based on the following system:

'P' – Pass. Student has completed at least 75% of the required course hours, lab work and curriculum and has maintained a satisfactory level of participation in the course based on instructor evaluation.

'I' – Incomplete. Student has not completed at least 75% of the required course hours, lab work, and curriculum and/or has not maintained a satisfactory level of participation in the course based on instructor evaluation. The student has 30 days from course end to meet the minimum requirements.

'F' – Failure. Student has failed to complete the 75% minimum course hours, lab work and curriculum and has not made up the requirements within the 30-day time period.

It is the expectation as part of each Career Education Program that students will pursue one or more internationally recognized professional certifications. As such, the New Horizons' programs are designed for students to pursue these certifications versus a letter grade from our institution

Satisfactory Progress

Satisfactory Progress will be evaluated for each student at the conclusion of each course within his/her Career Education Program. Students with no more than 1 Incomplete ("I's") and/or Failure ("F's") as part of their academic record will be considered to be in good standing.

Re-Admittance into a Program

If a student is dismissed from a program for any reason, the following procedure should be followed in order to re-enter the program:

1. The student submits a letter or email to his/her Admissions Representative requesting re-admittance to the program.
2. After reviewing the letter/email, the Admissions Representative meets with the student to discuss the reason(s) he/she was removed from or stopped attending the program and how similar issues can be prevented should re-admission be granted.
3. The Admissions Representative will discuss the student's request with the Director for a final decision to be made.

Student Conduct Policy

While New Horizons is fully committed to preparing students for computer-related job skills and new careers, it cannot succeed without participation and commitment from each student. The attitudes and behaviors exhibited during training are essential elements of program success.

It has always been our goal to promote both a comfortable atmosphere and a positive learning environment. With these two goals in mind, the following policies are in effect:

- Students will be expected to dress “business casual” manner (shirt, shoes, no offensive remarks or graphics on clothing, etc.) to create a positive learning environment.
- No profanity, racial remarks or inappropriate behavior will be tolerated.
- Any use of inappropriate software, Internet sites or offensive behavior will be grounds for permanent dismissal from class.
- As a part of promoting a healthy, comfortable atmosphere, New Horizons encourages students to practice good hygiene. If a student is found to interrupt the classroom and learning environment, he or she may be dismissed from the classroom or lab.
- Students are expected to use New Horizons’ property for its intended purpose only. In the classroom and laboratory, students should exercise care in using the equipment and materials.
- As a courtesy to others, students should assist in maintaining the break-room, the lab and all areas of New Horizons by cleaning up after themselves.
- New Horizons is a tobacco-free facility. Students are expected to use designated smoking areas when necessary.
- New Horizons does not permit firearms on the premises.
- Students must immediately report any unsafe conditions, equipment or practices to New Horizons staff.
- New Horizons maintains a facility that is free of drugs and alcohol. This is essential to maintaining a safe and efficient learning and work environment. Substance abuse is incompatible with health, safety, efficiency and success at New Horizons. Violation of this policy by students or employees will result in their removal from the facility.
- Students must adhere to all posted signs or warnings.
- New Horizons encourages students to be considerate of others when talking on the phone and to abide by posted facility rules.
- Students must always conduct themselves in a respectable manner. Disruptive or inappropriate behavior deemed unsatisfactory will result in possible dismissal from New Horizons. Re-admittance after conduct dismissal requires reapplication.
- Theft of property from the school or other students is grounds for immediate dismissal. Upon discretion of management, the appropriate authorities may be called.

New Horizons Veteran Student Addendum

This catalog addendum applies to those students receiving U.S. Department of Veterans Affairs education benefits while attending New Horizons, CLC. Please acknowledge by your signature below that you have read and understand the information in this addendum, and have received, read and understand the policies, rules and regulations of New Horizons:

Attendance Policy: Daily attendance records are maintained by New Horizons, CLC. Students are expected to attend all classes. If circumstances prevent attendance at a particular class, prior notification is expected in order to arrange for make-up sessions. If attendance falls below 80%, VA education benefits will be terminated. Students whose absences result from authorized mitigating circumstances, as determined by the school Director, will not be terminated. Re-admittance after dismissal for unsatisfactory attendance requires reapplication to the school. In order to receive full time VA education benefits at New Horizons, CLC, VA students must attend class at least 18 hours per week. Attending less than 18 hours per week reduces VA education payment rates, and in some cases, could result in overpayments that you will owe to VA. For this reason, ensure that you keep the school certifying official fully apprised of any anticipated attendance issues and make sure you meet the attendance standard explained above.

Conduct Policy: Students must always conduct themselves in a respectable manner. Disruptive or inappropriate behavior deemed unsatisfactory conduct by school officials will result in termination of VA education benefits, and possible dismissal from New Horizons, CLC. Re-admittance after conduct dismissal requires reapplication to the school.

Academic Progress Policy: New Horizons CLC is a special purpose institution aimed at preparing students to pass the certification exams. As such, courses are graded on a pass/fail basis. For VA purposes, students receiving VA Education benefits may be certified no more than three times for a single course, that is, the first attempt, and if necessary, two repeats. Progress records are maintained by New Horizons, CLC and are available to the veteran upon request.

Pro-Rata Refund Policy for Veterans and other Eligible Students: New Horizons, CLC has a pro-rata refund policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion.

Prior Credit Policy: Previous training and experience will be considered, and granted if appropriate, for veterans and other eligible students. On enrollment, veterans must submit a copy of their DD 214 discharge certificate and copies of transcripts from all previous post-secondary training.

Public Law 115-407, Sections 103 & 104: Any covered individual will be able to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a “certificate of eligibility” can also include a “Statement of Benefits” obtained from the Department of Veterans Affairs’ (VA) website – eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

New Horizons, CLC will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

Graduation Requirements: New Horizons, CLC will release a Program Completion Certificate to students who have passed all recommended courses and tests and paid all outstanding fees.

Equal Opportunity Statement: New Horizons, CLC does not discriminate based on race, color, religion, sex, age, disability, veteran status or national origin.
