

PRINCE2® Practitioner 6th Edition

Overview

If you are taking this course, you might already be a Project Manager, or you may be considering a career change and becoming one. Your ability to demonstrate best practices in project management—both on the job and through professional certification—is becoming the standard to compete in today's fast-paced and highly technical workplace. In this course, you will apply the generally recognized practices of project management acknowledged by PRINCE2®. This course will also serve to prepare you for the PRINCE2® Practitioner examination. The associated certification exam voucher is included with this course.
