

Business Acumen For Leaders

Overview

Students will learn to understand the mechanics of the organization – reading and interpreting financials, making sound business decisions, and setting a course – while also developing the skills to guide and direct your workforce.

Target Audience

Professionals desiring to improve their business planning, financial management, and decision-making skills and practice them in an ethical and professional manner

Course Objectives

After completing this course, students will know how to:

- Recognize the importance of the big picture in business planning
- Leverage financial information to make sound business decisions
- Identify the importance of other financial levers to your business
- Understand the importance of ethics on long term business success
- Appreciate how business etiquette affects your organizational success
