

Constructive Conflict Management

Overview

In this course, students will learn to recognize the warning signs that precede quarrels and how to mitigate their impact, as well as constructive ways to harness the differences between team members and shift them toward productive, positive outcomes.

Target Audience

Professionals who manage teams and desire to understand what leads to conflict, help peacefully navigate team members through potentially antagonistic situations, encourage and empower others to disagree respectfully and productively, and effectively manage disputes between team members.

Course Objectives

After completing this course, students will know how to:

- Identify and manage sources of conflict
- Define an effective strategy to deal with conflict
- Implement a process to manage conflict situations
- Build civility in the workplace
